QUEEN'S ROAD CAPITAL INVESTMENT LTD. (TSXV: QRC)
Leading Financier to the Global Resource Sector

Cautionary Statement

IMPORTANT: PLEASE READ THE FOLLOWING BEFORE CONTINUING. The information contained in this document has been prepared by QUEEN'S ROAD CAPITAL INVESTMENT LTD. ("QRC" or the "Company"). The information contained in this document (a) is provided as at the date hereof and is subject to change without notice, (b) does not purport to contain all the information that may be necessary or desirable to fully and accurately evaluate an investment in the Company, including important disclosures relating to the terms of an investment and risk factors associated with an investment in the Company and (c) is not to be considered as a recommendation by the Company that any person make an investment in the Company.

This presentation ("Presentation"), and the information contained herein, is not for release, distribution or publication into or in the United States or any other jurisdiction where applicable laws prohibit its release, distribution or publication. This Presentation is being issued by the Company for information purposes only. It is information in a summary form and does not purport to be complete. It is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor.

This Presentation is not a prospectus, offering memorandum or an advertisement and is being provided for information purposes only and does not constitute or form part of, and should not be construed as, an offer or invitation to sell or any solicitation of any offer to purchase or subscribe for any securities in Canada, the United States or any other jurisdiction. Neither this Presentation, nor any part of it, nor anything contained or referred to in it, nor the fact of its distribution, should form the basis of or be relied on in connection with or act as an inducement in relation to a decision to purchase or subscribe for or enter into any contract or make any other commitment whatsoever in relation to any securities of the Company. Recipients of this Presentation who are considering acquiring securities of the Company are reminded that any such purchase or subscription must not be made on the basis of the information contained in this Presentation but are referred to the entire body of publicly disclosed information regarding the Company. This Presentation is qualified in its entirety by reference to, and must be in read in conjunction with, the Company's publicly disclosed information.

Certain information contained herein includes market and industry data that has been obtained from or is based upon estimates derived from third party sources, including industry publications, reports and websites. Third party sources generally state that the information contained therein has been obtained from sources believed to be reliable, but there is no assurance or guarantee as to the accuracy or completeness of included data. Although the data is believed to be reliable, neither the Company nor its agents have independently verified the accuracy, currency or completeness of any of the information from third party sources referred to in this presentation or ascertained from the underlying economic assumptions relied upon by such sources. The Company hereby disclaims any responsibility or liability whatsoever in respect of any third party sources of market and industry data or information. This Presentation has not been independently verified and the information contained within may be subject to updating, revision, verification and further amendment. While the information contained herein has been prepared in good faith, except as otherwise provided for herein, the Company does not provide any representations or warranties (express or implied) as to, or in relation to, the accuracy, reliability or completeness of the information in this Presentation, or any revision thereof, or of any other written or oral information made or to be made available to any interested party or its advisers and liability therefore is expressly disclaimed for any loss howsoever arising, directly or indirectly, from any use of such information or opinions or otherwise arising in connection therewith. Except as may be required by applicable law, in furnishing this Presentation, the Company does not undertake or agree to any obligation to provide the recipient with access to any additional information or to update this Presentation or to correct any inaccuracies or omissions. Information contained in this Presentation is the property of the Company and it is made available strictly for the purposes referred to above.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION: This document includes information, statements, beliefs and opinions which are forward-looking, and which reflect current estimates, expectations and projections about future events, including, but not limited to the Company's intended investment strategy and the returns expected therefrom and other statements that contain words such as "believe," "expect," "project," "should," "seek," "anticipate," "will," "intend," "positioned," "risk," "plan," "may," "estimate" or, in each case, their negative and words of similar meaning. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions that could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. These risks, uncertainties and assumptions could adversely affect the outcome and financial effects of the plans and events described herein. These factors and risks include, but are not limited to, those described in our public disclosure documents filed on SEDAR at www.sedar.com, and could cause actual events or results to differ materially from those projected in any forward-looking statements. Forward-looking information contained in this Presentation is based on our current estimates, expectations and projections, which we believe are reasonable as of the current date. Such forward-looking information is provided for the purpose of providing information about management's current expectations and plans relating to the future. Investors are cautioned that reliance on such information may not be appropriate for other purposes, such as making investment decisions and/or management's good-faith belief with respect to future events and are subject to known or unknown risks, uncertainties, assumptions and other unpredictable factors, many of which are beyond the Company's control. You should not place undue reliance on forward-looking statements, which are based on the information available as of the date of this document and the Company disclaims any intention or obligation to update or revise any forward-looking information contained in this document, whether as a result of new information, future events or otherwise, unless required by applicable law. The forward-looking information included in this Presentation is expressly qualified in its entirety by this cautionary statement.

Historical statements contained in this document regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. In this regard, certain financial information contained herein has been extracted from, or based upon, information available in the public domain and/or provided by the Company. No statement in this document is intended to be nor may be construed as a profit forecast.

Queen's Road Capital (QRC)

- QRC is a leading source of investment capital to resource companies and projects throughout the world
- QRC focuses on investment structures which, where possible, limit downside and retain upside
 - Preference for convertible debenture structures
